 Subject: U.S. Open/ ICAST Legends Tribute Dinner

We are producing an event entitled "A Tribute to the Legends," a sit-down dinner on Friday evening, July 16th, at Boulder Station. The honorees will be Cotton Cordell, Darrell Lowrance, Ray Scott, Johnny Morris and Forrest L. Wood. All have committed to be there and seem quite enthusiastic about it. Jimmy Houston has agreed to serve as master of ceremonies.

We are gathering historical information, old photos and film clips to be used in this salute. Boulder Station is providing high-tech video (and technicians) to be used in this production. The dinner will feature a few options: New York strip, halibut, salmon, chicken, etc. It carries a \$50 price tag and advance reservations are a must. A table reservation for eight (8) will be \$400, a table for ten (10) runs \$500. Should you and your friends plan on attending, I want you to know that it will be a "sell-out" long before Friday the 16th, as many who are attending the ICAST show (which ends on Friday, July 16) will be attending this tribute dinner/event. The dinner is limited to 300 people.

If you want tickets or a table for this event, e-mail me back right away and then you can send a check or call Ashley with a credit card at the WON BASS headquarters at the address below.

Hope to see you there.
